ArcBest Receives Bronze Medal From EcoVadis Award recognizes sustainability performance

FORT SMITH, Arkansas, March 9, 2021 — [ArcBest](#)® (Nasdaq: ARCB), a leader in supply chain logistics, is pleased to announce it was recently awarded a Bronze medal for its 2021 sustainability rating from EcoVadis.

EcoVadis monitors sustainability in global supply chains by rating and benchmarking the quality of a company's sustainability performance. The Bronze rating recognizes sustainability performance in the top half of all companies and industries rated across the world.

"We are very honored to achieve a Bronze status with EcoVadis," said Judy R. McReynolds, ArcBest chairman, president and CEO. "At ArcBest, we strive to be a responsible corporate citizen in every community in which we operate. We know our progress regarding sustainability is a long-term commitment that benefits all of us, and we continue to identify steps to minimize our footprint and conserve resources."

EcoVadis' sustainability rating methodology covers 21 sustainability criteria across four themes: Environment, Labor & Human Rights, Ethics and Sustainable Procurement.

[EcoVadis](#) is the world's most trusted provider of business sustainability ratings, intelligence and collaborative performance improvement tools for global supply chains. Backed by a powerful technology platform and a global team of domain experts, EcoVadis' actionable sustainability scorecards provide detailed insight into environmental, social and ethical risks across 200 purchasing categories and 160 countries.
